ADMISSION REQUIREMENTS

Selecting candidates for admission to the Executive MBA programme (MBA) is a critical decision. We believe that there is more to selecting a candidate than just considering scores, GPA's and other merely numerical performance indicators. For this reason, admission decisions for the EMBA take into account **three** primary areas of evaluation:

1. **Professional Experience** (length, breadth, and depth of professional and managerial experience; potential for career development and progression)
2. **Academic Qualifications** (a bachelor's degree from an accredited institution or previous postgraduate level studies with a satisfactory level of achievement)
3. **Additional Relevant Criteria** (potential contribution to the learning experience of the programme; maturity and motivation; ability and willingness to commit the required time and energy to the programme; community service and professional activities; support from an applicant's employing organisation).

Furthermore, it should be noted that in admitting selected groups of high-potential managers coming from the same company or industry (instead of individual applications), admission recommendations are based on both class composition and individual criteria. Class diversity in job function and industry classification is an objective.

Nevertheless, there are certain **standard admission requirements**:

- Undergraduate degree from an accredited institution (does not have to be a business degree)*
- A minimum of three – five years of professional work experience
- Verified English Language Competence**

NOTES:

* A small number of applicants may be accepted without an undergraduate degree, provided they have substantial experience in managerial posts and they meet all other requirements.

****English Language Qualifications**

Successful applicants must have fluent command of the English language proven by:

- **IELTS (Academic)** with overall score 6.5 or above, with at least 5.5 in each component or

Candidates who have completed their Bachelor's studies or their higher secondary education through the medium of the English Language will not normally need to provide other evidence of English language ability.

Executive MBA applicants who do not hold a formal English language qualification but meet all other course entry requirements and exhibit accumulated or informal knowledge of the English Language are accepted on the basis of their performance in an Internal English Language Assessment Test administered by CITY College, International Faculty of the University of Sheffield.
