Filling in the form

General

Each section contains brief instructions on how to fill it in. You might also need to refer to the following information on sections A, B, C, D, E, F, H and M.

A. Personal details

Please give your name as it appears on your passport, if you have one. If your forename and family name are not clear your application could be delayed.

B. Contact details

The College will address all correspondence through the address provided in Section B. It is essential that the College is notified of any change of address at the earliest opportunity.

C. Programme of study details

Please indicate the mode of attendance by which you wish to study (eg. 3 years, 4 years).

D. Fees and funding details

In order to be informed about tuition fees, you may contact the College directly.

E. Previous education

Our minimum entry requirements are listed in our prospectus and on our website. If you are not sure your qualifications are suitable, contact the Admissions team before you apply. Applicants are strongly encouraged to supply additional information to support their application. Please use this section to include this information.

F. English language details

We use the information you give us to decide whether or not you meet the English language requirements for your chosen course. A list of the English language qualifications and the minimum grades we accept can be found on our website. If you don't have one of the qualifications listed, we may offer you a place on the condition that you get one.

International and EU applicants should attach copies of the results of any English language examinations undertaken during the previous three years (e.g. TOEFL, IELTS, etc.). Please include results of any examinations undertaken during any on going studies (e.g. year 1 or year 2 results of a current degree course). CITY's reference code for the TOEFL test is 7234. All copies of English language qualifications should be certified.

H. Disability details

If you have a disability which may mean you have additional needs in relation to study, please attach a separate sheet (marked Private & Confidential) providing details of your disability and the additional support needs.

M. Supporting documents

It's important that you send your supporting documents with your completed form. We may not be able to process your application without them. If for any reason you can't send your documents with your form, use the checklist in section N to let us know when we can expect to receive them. It's especially important to send copies of transcripts and certificates of your qualifications as soon as possible.

You can scan your documents and send them by e-mail to: admissions@city.academic.gr

Make sure you put your full name and the course you're applying for at the top of the e-mail. Remember, if you are offered a place, you will have to bring the original documents with you when you register.

Deadlines

Most undergraduate courses have no deadline for applications, unless you're applying for a specific scholarship. However, entry to all courses is competitive. To increase your chance of an offer, you should apply as early as possible. Applying early gives you more chances to be accepted.

What happens after you receive my application?

1. As soon as we get your application we send it to the relevant department.
2. When the department makes its decision, we'll notify you.

How long does it take?

The department will try to make a decision as quickly as possible. The process usually takes up to two weeks. Remember, if you send supporting documents separately this can delay the decision.

What can I do to speed things up?

1. If you are an international prospective student, send all postal correspondence via airmail or courier or submit them to our representative office in your country.
2. If your postal or email address changes, please let us know straight away. Contact us at the address below.
